

# HOW TO GET TO MANNA FEST @ Lake Burrendong

We are looking to provide as much transport as possible from all corners of the diocese to Lake Burrendong so that distance does not inhibit participation in the festival and thus providing the opportunity for a truly diocesan event. This will involve the hire and generous donation of various buses (and drivers). It is anticipated that we would charge a flat rate of \$5 (to be paid at pick up) for the bus ride from and to various pick up points in the diocese.

**Stay Tuned.... For pick up locations**
